

# SUPPORT WORKER - Job Description

Join ComfyCareVillas Ltd and be part of a dedicated team committed to supporting adults aged 18-65 within our supported living provisions. As a Support Worker, you will assist our service users in their daily activities, promoting their independence, and supporting them in living a fulfilling life.

## Key Responsibilities:

- Assist service users with daily living tasks such as personal care, meal preparation, and housekeeping.
- Support service users in accessing community facilities and participating in activities that promote their physical and mental well-being.
- Encourage and support the development of personal skills and independence through a tailored care plan.
- Monitor and report changes in service users' needs and preferences.
- Work closely with the Senior Support Workers and Team Leaders to ensure the provision of consistent and high-quality care.

## Qualifications:

- A passion for supporting others and enhancing their quality of life.
- Excellent communication and interpersonal skills.
- Flexibility to work shifts, including evenings and weekends.
- NVQ Level 2 in Health & Social Care or willingness to work towards it.
- Previous experience in a care setting is desirable but not essential.
